PREVIOUS REGISTER

⇒ Indicate whether **you agree with sharing your learning data** with your company.

This field will be visible only to users from those Tfs Member companies that explicitly requested additional reporting on their users' learning progress.

Sharing of specific learning data, see privacy policy (Required)

I agree that Tfs will be sharing with my Tfs Academy Manager specific information about my learning experience on Tfs Academy, including my progress in the platform, the courses I follow, the certifications I passed, and my test results.

I do not agree that Tfs will be sharing with my Tfs Academy Manager specific information about my learning experience on Tfs Academy, including my progress in the platform, the courses I follow, the certifications I passed, and my test results.

REGISTER

⇒ **Click on 'Register'.**

You will receive an **email with a link to confirm your email address** and access the Tfs Academy with your email address and password.

If you do not receive your e-mail with the link, please check your spam folder.

Get started!

On the homepage of the Academy, take advantage of the Get Started section to start your learning journey. There, you will find courses personalised according to your profile.

If you are new to Tfs, please have a look at the courses available in the [Tfs catalogue](#).

Should you encounter any difficulties to register, please send an email to training@tfs-initiative.com
